October 3, 1991

Location: Orlando, FL

Victim(s): Denise Collins 28

Attacker(s): Darius Mark Kimbrough

Description: Kimbrough used a ladder to climb up to the balcony of Denise's 2nd floor apartment and entered through a sliding glass door. He brutally raped her in her bed, then beat her and smashed her head against the wall, breaking her jaw and fracturing multiple bones in her skull, before fleeing the scene. She was found hours later and taken to the hospital, where she died the next day from a brain injury and hemorrhaging. Kimbrough was tied to the crime by DNA evidence after being arrested for another rape in March 1992.
